About Us

SAMTICO

■ **SAMTICO**, was established in Hama Syria in 1990 as sanitary ware company, it is unmatched in terms of its presence in the area as well as its brand image and reputation for quality. It has been setting the quality and performance standards for its products industry for over 30 years.

■ **SAMTICO** Which is managed by Ashek Bros, has improved itself carefully and professionally over the years, it has expanded its product range and made it more comprehensive in order to reach high levels of quality. And all thanks to its traditions that have been passed down from father to son since 1970.

■ **SAMTICO** offers a unique assortment of sanitary products with attractive shapes suitable for residential and commercial real estate and public facilities.

■ It is important to note that **SAMTICO** operates in accordance with international regulations, and most of its procedures are completely in line with it. Now, it is not surprising that **SAMTICO** brand is synonymous with quality, technology and innovative design and is widely favored and recommended by architects, designers, plumbers, wholesalers, retailers and consumers.
